y .	← Back	Version: 4.1.11049.1024	

Step 1: Open and log into Zoom

Step 3: Click on "Check for Updates" on the drop-down menu

Step 4: A pop-up will appear notifying you of any updates you need. If you do not need any updates, it will show a message saying "Zoom is up to date."

If you need an update, the pop-up may look like this:

Step 5: Click on "Update now." This will automatically download and install the latest version of Zoom on your computer. Zoom will re-start itself once it is updated.
