INTRODUCING - BANDAGE DAN!

No Health Insurance?
Don't Let Medical Costs Beat You Up

It protects you from paying the full costs of medical services when injured or sick.

Health insurance is a way to help pay for health care.

Fast facts: Plan categories

[✕ Close](#)

Plan categories are based on how you and the plan share your health care costs. Generally, plans in categories with lower premiums pay less of your total costs. Categories with higher premiums usually pay more. All plans cover at least the same set of essential health benefits. **Categories have nothing to do with care quality.**

Bronze

9 Plans \$\$\$\$

Average premium

\$0

per month

Bronze: Lower monthly premiums than Silver, but your deductible is higher and you pay more when you get care.

Silver

9 Plans \$\$\$\$

Average premium

\$81

per month

Silver: Higher monthly premium than Bronze, but your deductible is lower and the plan covers more of your costs.

Gold

7 Plans \$\$\$\$

Average premium

\$0

per month

Gold: Higher premiums than Silver, but your deductible is lower and your plan pays more when you get care.
