

## Sending Zoom Meeting Information (Desktop Version)

1. Double-click on the "Zoom" desktop icon.

2. Click on the "Sign In" button in the dialogue box that appears.

3. Type in your email address and password that is associated with your Zoom account and then click on the "Sign In" button.

(	Keep me signed in			

4. Click on the "Meetings" tab located on the top of your Zoom window.

5. Your scheduled Zoom meetings will be listed. Click on the title of the Zoom meeting you want to access. Next, click on the "Copy Invitation" button.

 Open up your email account (in this example a Microsoft Outlook account is used) and select the "New Email" option.

A new window will appear where you can paste the details of your Zoom meeting.

 Right-click on the body of your email window using your mouse, and then select the clipboard icon.
