Join the Wyoming Telehealth Network by promoting the second annual **Telehealth Awareness Week from September 15-21, 2024**. This week will amplify the message that Telehealth Is Health! Help us spread the word by sharing telehealth awareness information, images and graphics for #TelehealthAwareness leading up to and throughout Telehealth Awareness Week.

- Snap a selfie with this card and spread the word about Telehealth Awareness Week.
- Use the hashtag **#TelehealthIsHealth**

Together, we can ensure that everyone has access to safe, effective, and appropriate care when and where they need it.
